Scottish Heritage

Thistle Shape Flower of Scotland

Hand cut crystal

Thistle shaped decanter, tots and tumblers, hand made and hand cut with an intaglio thistle design, representing Scotland's proud and historic heritage. Legend has it that a sleeping party of Scottish warriors were saved from ambush by an invading Norse army when one of the attackers trod on a thistle with his bare feet. His cries raised the alarm and the roused Scots duly defeated the invaders. Legend has it that the thistle was consequently adopted as the symbol of Scotland.

Royal Scot Crystal is internationally renowned for refreshingly different and beautifully designed hand cut crystal

Here at Royal Scot Crystal we prize great design and hand-made quality above all else and in 2020 that makes us stand out from the crowd. We are not satisfied with just having the largest and most comprehensive range of quality crystal in the UK, we are driven to always go one better. We never rest in our search for improvement. Exquisite style and great functionality are the two hallmarks of our crystal glassware.

We have been masters of our trade for decades, our commitment to excellence spans generations and our expertise is second to none. It is our craftsmen who are the secret of our success. In an age of mass production each and every hand cut or mouth blown item has been made by these craftsmen and each glass has their unique stamp upon it.

At Royal Scot Crystal we are inspired by both the latest trends and the finest of traditions in our chosen field of expertise, crystal glass. We have researched glassware over the centuries and alighted upon the Jacobite Air Twist style, which we have made our own, producing a modern take on exquisite classic glasses. Each glass features the most infinitesimal hand formed difference.

Throughout the world Royal Scot Crystal is found in the finest of residences, world famous hotels, fine restaurants and many stately homes. We have created engraved glasses for historic venues specific to their location and history with a high perceived value to their visitors.

All Royal Scot Crystal is presented in smart gift boxes or in luxury satin lined presentation boxes.
